Report of Principal and School Improvement Council

This year the Grassy Pond Elementary School family has worked diligently in a continuous effort to improve and refine our school programs. Throughout the district, Proud and determined to create an ethic of excellence in Cherokee County, was the motto for the year. As always, we faced big challenges, but due to the tireless efforts of our staff and community we again accomplished great things for students at GPES. We wrote a five year Strategic Renewal Plan as well as completed the AdvancED accreditation process. Our plan was constructed to support the plan previously completed by the Cherokee County School District. We are certain after our visit from the AdvancED team that we are ready to lay a foundation for students that will enable them to be 21st Century Learners, actively engaged in every aspect of our ever-changing society.

GPES focused again on implementing rigorous, standards based instruction at all grade levels. Teachers received professional development on best practices for using essential questions to drive instruction, inquiry based teaching, connecting instruction to the real world, and integrating technology whenever possible. We know that student engagement is key to the success of all of our children! Response to Intervention (RtI) was also a continued focus to help meet the learning needs of each individual student. This initiative allows faculty and staff to really know each student individually as a learner, their strengths and weaknesses, in order to focus instruction that will help them grow at the best possible rate. When this model is used effectively teachers are able to create individual plans to actively engage students and maximize potential for each of their students.

Our students have received numerous recognitions and accomplishments throughout the year in academics, the arts, sports, and various other activities in which they participated. The GPES school family has enjoyed celebrating these successes along with them. The following highlight some of those accomplishments: DAR Essay Contest District Winner; Two Martin Luther King Jr. Art and Essay Contest Second Place Winners; Two First Place Winners Best Singer in the District Soloist Contest; Two Regional Science Fair Winners; Second Place District Spelling Bee Winner; Two District Free-Throw Contest Winners; Five District Young Writer's Gala Award Winners; Award Winning Lego Robotics Team; Third Place Campo Giornno Team; and GPES was the first CCSD school to receive a First Tee Golf Grant. We look forward to helping each student attain continued success as a 21st Century Learner which we know entails allowing them to create, communicate, and collaborate! Every one of our dedicated teachers and staff are ever mindful that we teach tomorrow's leaders.

ESEA/Federal Accountability Rating System

In July 2013, the South Carolina Department of Education was granted a waiver from several accountability requirements of the Federal Elementary and Secondary Education Act (ESEA). This waiver allowed SC to replace the former pass/fail system with one that utilizes more of the statewide assessments already in place and combine these subject area results with graduation rate (in high schools) to determine if each school met the target or made progress toward the target. This analysis results in a letter grade for the school rather than the pass/fail system of previous years. For a detailed review of the matrix for each school and districts that determined the letter grade, please use the following link: <http://ed.sc.gov/data/esea/> or request this information from your child's district or school.

Overall Weighted Points Total	88.9
Overall Grade Conversion	B

Index Score	Grade	Description
90-100	A	Performance substantially exceeds the state's expectations.
80-89.9	B	Performance exceeds the state's expectations.
70-79.9	C	Performance meets the state's expectations.
60-69.9	D	Performance does not meet the state's expectations.
Less than 60	F	Performance is substantially below the states' expectations.
